Rental Policies

DEPOSIT POLICY

If you have spoken to the camp management and requested a date, that date will be held for you for *two weeks*. Your request will be dated and placed on our calendar as Tentative at the time of your initial contact. To guarantee your date on our calendar return the signed Reservation Form, a signed Rental Policies form and Deposit in a timely manner. If the above forms and deposit are not returned with 2 weeks, your requested date becomes open.

At the time of your event, this “Reservation Deposit” will become a “Damage Deposit”. It is not to be deducted from your rental invoice (which is to be paid in full at the time of your event). The Deposit will be returned 2-3 weeks following your event if the camp is left in good, clean order, with nothing broken or damaged. In the unlikely event that there is a concern, we would contact you immediately. The deposit (in part of the whole) would be applied and remaining funds would be sent to you. If damages are found that exceed the amount of the deposit the additional charge(s) will be added to your invoice.

REFUND POLICY

Cancellation 60 days or more, prior to your event, ensures a full refund of your Deposit. Cancellation less than 60 days, prior to your event, forfeits any refund of your Deposit. Deposits for reservations made within 60 days of the event are non-refundable if cancelled.
